Bullying and traumatic events: The insidious nature and rise of Psych Claims in 2017

Across all states there has been a continuing rise in the number of psychological injury claims being presented to the courts. This should concern all EPL and management liability underwriters, brokers specialising in EPL and management liability and, indeed, all liability underwriters as the growth in this style of claim manifests across the legal system.

Speakers:

W+K Partner Andrew Seiter

W+K Partner Sean O'Connor

Special Counsel Sarah Wood

There is no cost to attend. Please use the form below to register.
